MCCA-John J. Allen Memorial Golf Tournament

Dear Friend and Supporter:

On Monday, July 11th the MCCA John J. Allen Memorial Golf Tournament will be held at Salem Golf Club in North Salem, New York.

Over the years, your generous and ongoing support – along with the performance of our staff—has made it possible for MCCA to be one of the most respected substance abuse prevention and treatment organizations in the State of Connecticut. We are consistently one of the top-rated behavioral health organizations in the state with respect to client satisfaction.

It seems that often the need for our services is inversely related to the overall economic condition in the area. At a time when our services are needed the most, we find our funding under the greatest downward pressure. For this reason, your assistance remains critical, and we hope that we can count on your continuing support. If you can't join us as a sponsor or participate as a player, please remember that a donation in any amount is greatly appreciated.

This pamphlet outlines the tournament schedule, activities and opportunities for sponsorship.

Sincerely,

William Suess
Tournament Chairman
